

MALAWI LIVERPOOL
WELLCOME PROGRAMME

KAMUZU
UNIVERSITY
OF HEALTH SCIENCES

WE ARE HIRING MLW FACILITIES APPRENTICESHIP

The Malawi-Liverpool-Wellcome Research Programme (MLW) <http://www.mlw.mw> is an internationally recognized centre for research and training funded by the Wellcome Trust. We are committed to promoting research and training led by Malawian and international scientists, with the aim of improving the health of people in Malawi and elsewhere in the Region. The programme manages over 100 grants at any given time and has over 800 research and Operations services staff.

As we grow, with an expected 30% growth in research activities, we seek four professional and experienced Building Service apprenticeships (Building Services Technicians) to join our Facilities Team to support our growing operations.

The apprentice will report to the building services engineer and is responsible for facilitating operational support for MLW studies and keeping track of key indicators in all MLW. To coordinate primary operational support activities, the interns will work closely with field site administrators, project managers/coordinators, and field site focal persons. This is a 6 months contract based in Blantyre.

Further details of the organization and the role can be found by visiting our website: www.mlw.mw

Applications are to be received no later than 3rd April 2026

Interested applicants should apply by sending a cover letter, copies of relevant certificates, and a detailed CV with three traceable referees (at least two professional referees) to the address below or emailing it to training@mlw.mw. This should be in one PDF format and saved using file names starting with the following pattern:

“Surname_GivenNames_MLWFacilitiesApprenticeship_Application.”

MLW recognizes its responsibility in safeguarding and protecting communities, research participants and patients with whom MLW is working. Please note that successful candidates will be requested to undergo a safeguarding check prior to appointment and at regular time points during employment.

ONLY SHORT-LISTED CANDIDATES WILL BE ACKNOWLEDGED.
